And She Even Winks!

GIRLS!!! Here is the **doll** that we have been looking for for years. If you let her drop, she won't break---neither will her eyes fall out. And say, you should hear her say:

"Ma-Ma!" "Ma-Ma!" "Ma-Ma!"

Sounds just like a real, laughing baby in the room. And hold her by the arms, like the little girl in the picture, and she walks along with you. A real baby couldn't do more. She will also sit up by herself. Picture her at a little dinner party sitting up at your little table. Now, don't forget the Eyes, pretty and they actually move. When she lies down they really CLOSE; when she sits up and you shake her just the least bit, she winks. This Doll is dressed to perfection in a little play dress with a pretty bow around the neck; socks, patent leather shoes, and all the fixings. When standing she is over 12 inches tall. A lady was in our office the other day; someone happened to move the Doll and it said: ***"Ma-Ma!"*** so plainly and so loud that the lady looked around to see where the Baby was. You want this Doll—I know you do—read how you can get her for yourself, all your own.
